Diploma in Education (Arts) Secondary Option

- i. Minimum mean grade of C+ at K.C.S.E or certificate holder Education from a recognized institution in
- ii. Minimum of C+ in the two teaching subjects

Full/Part Time
Venue: Main Campus /
Town Campus

Diploma in Education in Early Childhood and Primary Education

Minimum mean grade of C at K.C.S.E or certificate holder in Education from a recognized institution

Full/Part Time
Venue: Main Campus /
Town Campus

SCHOOL OF ENGINEERING

PROGRAMMES

ENTRY REQUIREMENTS

MODE OF STUDY AND VENUE

UNDERGRADUATE DEGREE PROGRAMMES

Bachelor of Engineering in Agricultural and Biosystems Engineering
 Bachelor of Engineering Civil and Structural Engineering
 Bachelor of Engineering Mechanical and Production Engineering

Direct Entry

- i. Apply through KUCCPS depending on the cut-off points for KCSE.
- ii. For privately sponsored students, the minimum requirements; KCSE C+ mean grade and C+ in English/Kiswahili, C+ in Mathematics, C+ in Physics and C+ in Chemistry.

Full Time
 Venue: Main Campus

Diploma Entry

Diploma in the relevant Engineering (Civil, Mechanical or Agricultural). In addition, they should have done physics in KCSE

MASTERS DEGREE PROGRAMMES

Master of Science in Agricultural and Biosystems Engineering.
 Master of Science in Sanitation and Sanitary Engineering

Bachelor of Engineering or equivalent with at least second class upper division. For second class division the applicant should have two years' work experience.

Full Time
 Venue: Main Campus

DOCTORATE DEGREE PROGRAMME

Doctor of Philosophy in Agricultural and Biosystems Engineering.

Master of Science in Agricultural Engineering or its equivalent.

Full Time
 Venue: Main Campus

SCHOOL OF ENVIRONMENTAL SCIENCE AND NATURAL RESOURCE MANAGEMENT

PROGRAMMES

ENTRY REQUIREMENTS

MODE OF STUDY AND VENUE

UNDERGRADUATE DEGREE PROGRAMMES

Bachelor of Science in Wildlife Conservation and Management

A candidate must have passed with a mean grade C+ in the following cluster subjects:

Full Time
Venue: Main Campus

Alternative A:

Biology, Chemistry, Mathematics, Geography.

Alternative B:

Biological Science, Physical Science, Mathematics, Geography. Any other subject from Group III

Those with Diploma with a credit and above in related field of study are admissible to 2nd year of study and those with pass join in first year.

Bachelor of Science in Fisheries and Aquatic Sciences

- I. A candidate must have passed the KCSE with a mean grade of C+ and a minimum grade of C+ in the following cluster subjects:
 - Biology, Chemistry, Physics, Mathematics, Geography OR
 - Biological Science, Physical Science, Mathematics, Geography
 any other subject from Group III.
- ii. A diploma or higher diploma in a relevant discipline from a recognized institution.

Full Time
Venue: Main Campus

Bachelor of Science in Natural Resource Management

- i. A candidate must have passed the KCSE with a mean grade of C+ and a minimum grade of C+ in the following cluster subjects: Alternative A (Biology, Chemistry, Physics, Mathematics, Geography) or Alternative B (Biological Science, Physical Science, Mathematics, Geography, any other subject from Group III)
- ii. 'A' Level School candidates must have scored a minimum of Division II in KCE and two Principal Passes in KACE, or their equivalents in any of the biological or physical sciences.
- iii. Candidates directly from school will be admitted to year I of study.

Full Time
Venue: Main Campus

Candidates with Diploma Certificates

Admission may also be granted to candidates with an outstanding diploma in a relevant field from institutions recognized by University of Eldoret Senate:

- i. Candidates with a distinction or credit and at least one year's relevant working experience will be admitted to Year II of Study;
- ii. Candidates with a distinction or credit in a relevant Higher National Diploma (HND) or its equivalent will be admitted to Year III of Study.
- iii. All other diploma candidates with a pass and relevant experience will be admitted to Year I of Study.

Bachelor of Science in Sustainable Energy and Climate Change Systems

- i. A candidate must have passed the KCSE with a mean grade of C+ and a minimum grade of C+ in the following cluster subjects: Alternative A (Biology, Chemistry, Physics, Mathematics, Geography) or Alternative B (Biological Science, Physical Science, Mathematics, Geography, any other subject from Group III)
- ii. 'A' Level School candidates must have scored a minimum of Division II in KCE and two Principal Passes in KACE, or their equivalents in any of the biological or physical sciences.
- iii. Candidates directly from school will be admitted to year I of study.

Full Time
Venue: Main Campus

Candidates with Diploma Certificates

Admission may also be granted to candidates with an outstanding diploma in a relevant field from institutions recognized by University of Eldoret Senate:

- i. Candidates with a distinction or credit and at least one year's relevant working experience will be admitted to Year II of Study;
- ii. Candidates with a distinction or credit in a relevant Higher National Diploma (HND) or its equivalent will be admitted to Year III of Study.
- iii. All other diploma candidates with a pass and relevant experience will be admitted to Year I of Study.

Bachelor of Science in Water Resource Management

A candidate must have passed the KCSE with a minimum mean grade of C+ and with a minimum grade of B- in the following cluster subjects:

Alternative A (Biology, Chemistry, Physics, Mathematics, Geography)
Alternative B (Biological Science, Physical Science, Mathematics, Geography, any other subject from Group III)

- ii) Admission may also be granted to outstanding diploma holders from recognized institutions provided that such candidates have passed their diploma courses with distinction or good credit with at least one year's relevant working experience.

Candidates with Diploma Certificates

Admission may also be granted to candidates with an outstanding diploma in a relevant field from institutions recognized by University of Eldoret Senate:

- i. Candidates with a distinction or credit and at least one year's relevant working experience will be admitted to Year II of Study;
- ii. Candidates with a distinction or credit in a relevant Higher National Diploma (HND) or its equivalent will be admitted to Year III of Study.
- iii. All other diploma candidates with a pass and relevant experience will be admitted to Year I of Study.

Full Time
Venue: Main Campus

Bachelor of Science in Forestry and Agroforestry

- i. Candidates must have passed the K.C.S.E with a minimum mean grade of C+ and with an average grade of B- in the two subject groupings:
Alternative A (Mathematics, Biology, Chemistry, Physics, Geography)
or Alternative B (Mathematics, Biological Science, Physical Science, Geography)

(b) Diploma Holders

- i) Candidates must have passed K.S.C.E or equivalent with a minimum grade of C in the subject groupings listed in (I) above and
- ii) Must have successfully completed a relevant diploma course recognised by the university and must have attained a first class grade or a credit with at least 2 years of field or research experience.
- iii) Diploma holders who meet the admission requirements will join B.Sc. forestry course in 2nd year.

Full Time
Venue: Main Campus

Bachelor of Science in Wood Science and Industrial Processes / Forest Products Technologies	<ol style="list-style-type: none"> i. A candidate must have passed the KCSE with a minimum mean grade of C+ and with a minimum grade of B- in the following cluster subjects: Alternative A (Biology, Chemistry, Physics, Mathematics, Geography or Wood Work) or Alternative B (Biological Science, Physical Science, Mathematics, Geography or Wood Work, any other subject from Group III ii. Admission may also be granted to outstanding diploma holders from recognized institutions provided that such candidates have passed their diploma courses with distinction or good credit with at least one year's relevant working experience. 	Full Time Venue: Main Campus
<p>Other entrants: Eligible mature entrants will have either of the following qualifications:</p> <ol style="list-style-type: none"> i. Holders of Higher National Diploma from a recognized institution with a distinction or credit pass and at least two years' working experience in their relevant field. ii. Holders of qualifications deemed by the University equivalent to National Diploma and with the relevant working experience. iii. Candidates with equivalent qualifications may also be considered. Diploma holders who meet the admission requirements will join the B.Sc. Wood Science & Industrial Processes course as follows: Distinction or Credit will join in the 2nd year of study; while Pass will join in 1st year of study. 		
Bachelor of Environmental Science Options; • Hydrology • Environmental Biology and Health	<ol style="list-style-type: none"> i. Mean grade of C+ at KCSE with a C+ in Mathematics, C+ in Biology, C+ in Chemistry, C+ in English and C+ in Geography/Physics or both. ii. A diploma or higher diploma in a relevant discipline from a recognized institution. 	Full Time Venue: Main Campus
Bachelor of Environmental Studies - Arts	<ol style="list-style-type: none"> i. Mean grade of C+ at KCSE with a C+ in Mathematics, C+ in Biology, C+ in Chemistry, C+ in English and C+ in Geography/Physics or both. ii. A diploma or higher diploma in a relevant discipline from a recognized institution. 	Full Time Venue: Main Campus

Bachelor of Environmental Studies - Science	<ul style="list-style-type: none"> i. Mean grade of C+ at KCSE with a C+ in Mathematics, C+ in Biology, C+ in Chemistry, C+ in English and C+ in Geography/Physics or both. ii. A diploma or higher diploma in a relevant discipline from a recognized institution. 	Full Time Venue: Main Campus
Bachelor of Environmental Biology and Health	<ul style="list-style-type: none"> i. Mean grade of C+ at KCSE with a C+ in Mathematics, C+ in Biology, C+ in Chemistry, C+ in English and C+ in Geography/Physics or both. ii. A diploma or higher diploma in a relevant discipline from a recognized institution. 	Full Time Venue: Main Campus
Bachelor of Arts in Environmental Planning and Management	<ul style="list-style-type: none"> i. Candidates must satisfy the minimum entrance requirements stipulated in the common University of Eldoret entrance regulations. ii. In addition, candidates must obtain the minimum cut-off points for the year determined by any three of the following subjects: Mathematics, Biology, Chemistry, History, Agriculture, Business Studies, Religious Studies, English or Kiswahili and Geography. iii. Subject to the approval by Senate and CUE, the department may formulate regulations requiring applicants to have attained such other academic or equivalent qualifications, which are consistent with the goals of this program. 	Full Time Venue: Main Campus

MASTERS DEGREE PROGRAMMES

Master of Science in Wildlife Management Master of Science in Protected Area Management	<ol style="list-style-type: none"> i) Upper second class degree in wildlife conservation and Management or related discipline ii) Lower second class honours with relevant experience for two years or research publications. 	<p>Full Time Venue: Main Campus</p>
Master of Science in Fisheries and Aquatic Sciences Options; <ul style="list-style-type: none"> • Aquaculture • Fisheries Management • Aquatic Sciences 	<ol style="list-style-type: none"> i. Upper Second Class Degree and above in Fisheries and Aquatic Sciences OR related Discipline, ii. Lower Second Class Honours with relevant experience OR Research publication. 	<p>Full Time Venue: Main Campus</p>
Master of Science in Wood Science and Technology	The candidate must have a Second Class Upper and above in Bachelor of Science in Wood Science and Technology or relevant field. A candidate with second class lower must have an experience of at least two years of working in the field of wood science.	<p>Full Time Venue: Main Campus</p>
Master of Science in Forestry or Agroforestry	The candidate must have a Second Class Upper and above in Bachelor of Science in Forestry or Agroforestry or relevant field. A candidate with second class lower must have an experience of at least two years of working in the field of forestry or agroforestry. Postgraduate students admitted with 2nd Class Upper degree in agriculture, biological sciences and fields other than forestry, will be required to satisfy pre-requisites to the postgraduate courses in forestry.	<p>Full Time Venue: Main Campus</p>
Master of Science in Environmental Earth Sciences Master of Science in Environmental Biology Master of Science in Environmental Health	<ol style="list-style-type: none"> i. Holders of First Class or upper second Class Degree of University of Eldoret in any of the following disciplines: Life/Health Sciences, Engineering, Physical Sciences, Law, Social Sciences Humanities and allied disciplines. ii. A candidate who has obtained a first degree from a recognized university which the senate has accepted as equivalent to first class or upper second class degree of University of Eldoret in the disciplines out line in (i) above. iii. Holders of a lower second class honors degree of University of Eldoret, or of a recognized University, who in addition to the degree, have post graduate qualification (certificate of diploma) in a relevant have postgraduate research experience as evidenced by at least one published paper in refereed journal 	<p>Full Time Venue: Main Campus</p>

Master of Science in Environmental Studies (Human Ecology)	<ul style="list-style-type: none"> i) Holders of at least second class Bachelors degree of University of Eldoret related field. ii) Holders of a first degree from an accredited university and recognised by University of Eldoret's Academic committee, and ratified by senate as equivalent to (I) above. 	Full Time Venue: Main Campus
Master of Science in Environmental Studies (Environmental Law)	<ul style="list-style-type: none"> i. Holders of at least Second Class Bachelors degree in law from a from an accredited university and recognised by University of Eldoret's Academic committee, and ratified by senate. ii. Holders of a first degree from an accredited university and recognised by University of Eldoret's Academic committee, and ratified by senate as equivalent to (i) above. 	Full Time Venue: Main Campus
Master of Science in Environmental Studies (Environmental Economics)	<ul style="list-style-type: none"> i) Holders of at least second class Bachelors degree of University of Eldoret in economics related field. ii) Holders of a first degree from an accredited university and recognised by University of Eldoret's Academic committee, and ratified by senate as equivalent to (I) above. 	Full Time Venue: Main Campus
Master of Science in Environmental Planning and Management	<ul style="list-style-type: none"> i) Holders of at least second class Bachelors degree of University of Eldoret in related field. ii) Holders of a first degree from an accredited university and recognised by University of Eldoret's Academic committee, and ratified by senate as equivalent to (i) above 	Full Time Venue: Main Campus
Master of Science in Environmental Information Systems	<ul style="list-style-type: none"> I) Holders of at least second class Bachelors degree of University of Eldoret in related field. ii) Holders of a first degree from an accredited university and recognised by University of Eldoret's Academic committee, and ratified by senate as equivalent to (I) above. DIPLOMA PROGRAMMES

Diploma in Wildlife Management	A minimum mean grade of C- (Minus) at KCSE with at least a D+ and above in Mathematics and English OR Certificate in a related field of study and any other relevant academic qualification recognized by the University of Eldoret Senate.	Full Time Venue: Main Campus
Diploma in Tourism and Wildlife Management	A minimum mean grade of C at KCSE OR certificate in a related field of study from a recognized institution	Full Time Venue: Main Campus
Diploma in Aquaculture and Fisheries Management	A minimum mean grade of C- (Minus) at KCSE with at least a D+ in Mathematics OR Certificate in a related field of study and any other relevant academic qualification from a recognized institution.	Full Time Venue: Main Campus
Diploma in Environmental Disaster Management and Mitigation	KCSE Mean Grade C- with at least a C- in English or Kiswahili and Geography, History or Business Studies or A-Level qualification with a subsidiary pass or any other certificate recognized by University of Eldoret.	Full Time Venue: Main Campus
Diploma in NGO and Environmental Project Management	KCSE Mean Grade C- with at least a C- in English or Kiswahili and Geography, History or Business Studies or A-Level qualification with a subsidiary pass or any other certificate recognized by University of Eldoret.	Full Time Venue: Main Campus

SCHOOL OF SCIENCE

PROGRAMMES

ENTRY REQUIREMENTS

MODE OF STUDY AND VENUE

UNDERGRADUATE DEGREE PROGRAMMES

Bachelor of Science (B.Sc.) Options: Mathematics, Botany, Physics, Zoology, Chemistry	I). A minimum mean grade of C+ at KCSE and a C+ in any two science subjects relevant to the area of study OR ii. 2 principals and subsidiary pass at A - level in science subjects OR iii. A diploma or higher diploma in Science/Applied Sciences or its equivalent from a recognized institution.	Full Time Venue: Main Campus
Bachelor of Science in Analytical Chemistry with Computing	i. A minimum mean grade of C+ at KCSE with B- in Chemistry, Biology (C+), Mathematics (C+) OR ii. "A" level with 2 principal passes in Chemistry and/or Physics/Biology and at least a subsidiary in Mathematics OR iii. A diploma or higher diploma in Analytical Chemistry/Applied Science or its equivalent from recognized institution.	Full Time Venue: Main Campus
Bachelor of Science in Biochemistry	i. A minimum mean grade of C+ at KCSE with B- in Chemistry, Biology (C+), Mathematics (C+) and C (Plain) in any group IV subjects OR ii. "A" level with 2 principal passes in Chemistry and Biology. Subs in Mathematics with C (Plain) in Physics at "O" level OR iii. A diploma or higher diploma in Science/Applied or its equivalent from a recognized institution.	Full Time Venue: Main Campus
Bachelor of Science in Microbiology	i. A minimum mean Grade of C+ at KCSE or its equivalent and at least a B- in Biology/Biological Sciences, Chemistry (C+), Mathematics (C+) OR ii. 2 Principal passes, one must be in Biology and subsidiary in Mathematics with C (Plain) in Physics at "O" level OR iii. A diploma or higher diploma in Science/Applied Sciences or its equivalent from a recognized institution.	Full Time Venue: Main Campus

Bachelor of Science in Biotechnology and Biosafety	<ul style="list-style-type: none"> (i) Must have a minimum mean grade of C+ (Plus) at KCSE or its equivalent from a recognized institution and have C+ (Plus) in Biology or Biological Sciences, C+ (Plus) in Chemistry, C+ (Plus) in Mathematics and C+ (Plus) in Physics/Geography OR (ii) 2 Principals in A level Biology and Chemistry and a Principal pass in Mathematics, Physics or Geography OR (iii) A diploma or higher diploma in Biotechnology or its equivalent from a recognized institution 	Full Time Venue: Main Campus
Bachelor of Science in Applied Animal Laboratory Science	<ul style="list-style-type: none"> (i) Meet the minimum University and School of science entry requirements. (ii) Have passes (C+) in the Kenya certificate of secondary Education (KSCE) in the following cluster of subjects: Biology, Chemistry, Physics, Mathematics, Geography, Any other subject from group III OR (iii) Be holders of a relevant diploma from institutions recognized by the University Senate Possess any other qualification as approved by the university Senate (iv) Posses any other qualification as approved by the university Senate 	Full Time Venue: Main Campus
Bachelor of Science in Entomology and Parasitology	<ul style="list-style-type: none"> (i) Meet the minimum University and School of Science entry requirements. (ii) Have passes in the Kenya certificate of secondary Education (KCSE) in the following cluster of subjects: Biology (C+), Chemistry (C plain), Mathematics (C plain) and Any other subject from group III OR (iii) Be holders of a relevant diploma from institutions recognized by the University Senate Possess any other qualification as approved by the university Senate. (iv) Posses any other qualification as approved by the university Senate 	Full Time Venue: Main Campus
Bachelor of Science in Ethnobotany	<ul style="list-style-type: none"> (i) Meet the minimum University and School of science entry requirements. (ii) Have passes (C PLAIN) in the Kenya certificate of secondary Education (KSCE) in the following cluster of subjects: Biology, Chemistry, Physics, Mathematics, Geography, Agriculture C+ and any other subject from group III OR (iii) Be holders of a relevant diploma from institutions recognized by the University Senate Possess any other qualification as approved by the university Senate (iv) Posses any other qualification as approved by the university Senate 	Full Time Venue: Main Campus

Bachelor of Science in Actuarial Science	<ul style="list-style-type: none"> (i) A minimum mean grade of C+ (Plus) at KCSE or its equivalent recognized by University of Eldoret Senate and have a minimum of B- (Minus) in Mathematics OR (ii) 2 Principals in KACE, one must be in mathematics OR (iii) A Diploma or Higher Diploma in Actuarial science or relevant discipline with a minimum credit pass from an institution recognized by University of Eldoret Senate 	Full Time Venue: Main Campus
Bachelor of Science in Applied Statistics with Computing	<ul style="list-style-type: none"> (i) A minimum mean grade of C+ (Plus) at KCSE or its equivalent recognized by University of Eldoret Senate and have a minimum of B- (Minus) in Mathematics OR (ii) 2 Principals in KACE, one must be in mathematics OR (iii) A Diploma or Higher Diploma in Applied statistics or related disciplines from an institution recognized by University of Eldoret Senate 	Full Time Venue: Main Campus
Bachelor of Science in Information Technology	<ul style="list-style-type: none"> (I) A minimum mean grade of C+ (Plus) at KCSE or its equivalent recognized by University of Eldoret Senate and have a minimum of C+(Plus) in Mathematics and C+ (Plus) in English or Kiswahili OR (ii) 2 Principals in KACE, one in mathematics OR (iii) A Diploma or Higher Diploma in Information technology/ Informatics or related disciplines from an institution recognized by University of Eldoret Senate 	Full time (Main Campus)
Bachelor of Science in Computer Science	<ul style="list-style-type: none"> (i) A minimum mean grade of C+ (Plus) at KCSE or its equivalent recognized by University of Eldoret Senate and have a minimum of C+ (Plus) in Mathematics, Physics /Physical Sciences OR (ii) 2 Principals in KACE, one in mathematics or Physics OR (iii) A Diploma or Higher Diploma in Computer Studies or related disciplines from an institution recognized by University of Eldoret Senate 	Full time (Main Campus)

Bachelor of Science in Informatics	<ul style="list-style-type: none"> (i) A minimum mean grade of C+ (Plus) at KCSE or its equivalent recognized by University of Eldoret Senate and have a minimum of C+ (Plus) in Mathematics and C+ (Plus) in English or Kiswahli OR (ii) 2 Principals in KACE, one in mathematics OR A Diploma or Higher Diploma in Information technology/ (iii) Informatics or related disciplines from an institution recognized by University of Eldoret Senate 	Full time (Main Campus)
Bachelor of Science with Education	<ul style="list-style-type: none"> (i) Meet the minimum University admission criteria of a mean grade of C+ (plus) at KCSE. and (ii) A minimum grade of C+ (plus) in any TWO of teaching subjects, C (plain) in English and mathematics. 	Full time (Main Campus)

MASTERS DEGREE PROGRAMMES

Master of Science in Botany (Plant Taxonomy, Plant Ecology, Genetics, Plant Physiology and Plant Pathology)	<ul style="list-style-type: none"> i. A minimum of second class honours (upper division) degree or its equivalent from University of Eldoret or any other recognized University in a relevant area OR ii. A second class honours (lower division) degree of University of Eldoret or any other recognized University in a relevant area with a 2 years working experience in the relevant field 	Full time (Main Campus)
Master of Science in Mycology	<ul style="list-style-type: none"> i. B.Sc. in Biology, Botany, Crop Protection, Zoology or Agriculture with a Second Class Honours Upper Division from a recognized institution OR ii. Holders of Second Class Honours Lower Division in the above areas with 2 years work experience or two research publications or a relevant Postgraduate Diploma. 	Full time (Main Campus)

Master of Science in Zoology (Animal Ecology, Entomology, Parasitology and Animal Physiology)	<ul style="list-style-type: none"> i. A minimum of second-class honours (upper division) degree or its equivalent from University of Eldoret or any other recognized University in a relevant area OR ii.
